**SHARE FORWARD MASTER CONFIRMATION**

Dear Sir/Madam:

The purpose of this Share Forward Master Confirmation (this “**Master Confirmation**”) is to set forth the general terms and conditions of one or more Transactions (each a “**Transaction**”) that may be entered into between you (“**Counterparty**”) and us (“**Dealer**”) on the Trade Date specified in a Supplemental Confirmation, each substantially in the form of Schedule A hereto, confirming the specific terms and conditions of a particular Transaction (each a “**Supplemental Confirmation**”). Each Transaction, if executed, will be a Forward, the terms of which are specified in the Master Confirmation as supplemented by the Supplemental Confirmation (together, the “**Confirmation**”). The entry into this Master Confirmation does not obligate either party to enter into any Transaction.

This Confirmation constitutes a “Confirmation” as referred to in the Agreement specified below. This Confirmation hereby incorporates by reference the 2002 ISDA Equity Derivatives Definitions (the “**Equity Definitions**”) and the 2006 ISDA Definitions (the “**Swap Definitions**”), each as published by the International Swaps and Derivatives Association, Inc. In the event of any inconsistency between the Equity Definitions and the Swap Definitions, the Equity Definitions will govern. In the event of any inconsistency between either the Equity Definitions or the Swap Definitions and this Confirmation, this Confirmation will govern. For purposes of the Equity Definitions, each Transaction shall be a Share Forward Transaction.

The Confirmation evidences a complete and binding agreement between Dealer and Counterparty as to the terms of the Transaction to which the Confirmation relates. The Confirmation shall supplement, form a part of and be subject to the 2002 ISDA Master Agreement (the “**Agreement**”) as published by ISDA entered into between the parties on [DATE], including the Schedule thereto and the 1994 Credit Support Annex (Bilateral Form—New York Law) (the “**CSA**”) to such Schedule, as amended from time to time. In the event of any inconsistency between the provisions of the Agreement or the CSA and the Confirmation, the Confirmation will govern for the purpose of the Transaction to which the Confirmation relates.

1. The terms of each Transaction to which this Confirmation relates are as follows:

**General Terms:**

Trade Date:	As specified in the relevant Supplemental Confirmation
Valuation Date:	As specified in the relevant Supplemental Confirmation
Shares:	The common stock of The Howard Hughes Corporation (the “ <b>Issuer</b> ”) (ticker symbol: HHC)
Exchange:	The New York Stock Exchange

Related Exchange:	None
Buyer:	Counterparty
Seller:	Dealer
Number of Shares:	As specified in the relevant Supplemental Confirmation
Prepayment:	Not Applicable
Variable Obligation:	Not Applicable
Forward Price:	As specified in the relevant Supplemental Confirmation

**General Settlement Terms:**

Condition to Physical Settlement: The Buyer may not early terminate this Transaction or proceed with Physical Settlement on the Settlement Date until (a) any required filings and any applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, relating to the transactions contemplated hereby, shall have been made or shall have expired or been terminated, as applicable or (b) the Buyer has determined that the Buyer has an exemption for any such filings (the “**Physical Settlement Condition**”). Any such exercise shall constitute a representation by the Buyer that such filings have been made and any such waiting periods have expired or that the Buyer has determined that the Buyer has an exemption from such filings.

Condition to Cash Settlement: The Buyer represents to the Seller that the election by Buyer of Cash Settlement (either upon early termination or on the scheduled maturity of the Transaction) is not in violation of Section 10(b) of the Securities Exchange Act of 1934, as amended (the “**1934 Act**”).

In any event, upon a Cash Settlement, the Buyer will represent to the Seller that either (1) Buyer is or has been for the preceding three months an “affiliate” (as defined under Rule 144 under the Securities Act of 1933, as amended (the “**1933 Act**”)) of the Issuer, (2) Buyer is not and has not been for the preceding three months an “affiliate” of the Issuer, or (3) Buyer should be deemed an “affiliate” of the Issuer solely for purposes of all Transactions under this Master Confirmation.

**Procedures for Early Termination:**

Latest Early Termination Time: The scheduled closing time of the Exchange

Early Termination Right:

The Buyer may early terminate this Transaction (in whole or in part) by notice to the Seller prior to the Latest Early Termination Time on or before the Valuation Date (such date, the “**Early Termination Date**”). In such case, the Valuation Date will be deemed to be the Early Termination Date and the portion of the Number of Shares subject to early termination will be settled in accordance with the terms of this Master Confirmation or as otherwise agreed by the parties, with the remaining portion of the Number of Shares (if any) continuing under the terms of this Confirmation; *provided* that if the date such notice is delivered is the Initial Averaging Date with respect to such Early Termination Date, Seller may treat such Averaging Date as an Averaging Date in part, in which case the Calculation Agent shall make appropriate adjustments to the VWAP Price for such Averaging Date and the Settlement Price for the Number of Shares subject to early termination.

**Settlement Terms:**

Settlement Method:

Physical Settlement (unless Cash Settlement is elected by Counterparty in accordance with the terms hereof); *provided* that, in respect of Physical Settlement, (i) clause (b) of Section 9.4 of the Equity Definitions is hereby amended by adding the words “as soon as practicable after the Valuation Date, but in any event no later than” before the words “the date that falls one Settlement Cycle following the Valuation Date” and (ii) clause (a)(i) of Section 9.2 of the Equity Definitions is hereby amended by adding “*plus* an amount equal to the Financing Payment Amount,” before the words “and Seller will deliver to Buyer ” in the third line thereof.

Default Settlement Method:

Physical Settlement

Settlement Method Election:

Applicable

Electing Party:

Buyer

Settlement Method Election Date(s):

Any Scheduled Trading Day following the Trade Date and prior to the Valuation Date

Cash Settlement Terms:

Number of Cash-Settled Shares:

The Number of Shares (or in the case of an early termination, the portion of the Number of Shares subject to early termination on an Early Termination Date); *provided* that the valuation related to such Number of Cash-Settled Shares will occur as set forth under “*Cash Settlement Procedures*” below.

On a Valuation Date (or deemed Valuation Date) where Cash Settlement is elected, the Calculation Agent will determine the portion of the Number of Cash-Settled Shares (which may be all such Number of Cash-Settled Shares) subject to cash settlement (the “**Settled Number of Shares**”) in its good faith and commercially reasonable discretion (which may, for the avoidance of doubt, be exercised in consideration of advice of counsel to Counterparty and counsel to Dealer and in consideration of other market activity or derivative transaction or unwind activity by Counterparty as well as any legal considerations applicable to Counterparty, including, but not limited to, considerations related to the fact that Counterparty may be an “insider” or “affiliate” of the Issuer and the application, if any, of any related securities laws (such considerations, the “**Unwind Parameters**”), and will notify Dealer and Counterparty of such determination. The Calculation Agent will include in such notice the number of Averaging Dates (“**Determined Averaging Date Number**”) and the initial Averaging Date for such settlement which will be the first Scheduled Trading Day after the related Valuation Date (each such date, an “**Initial Averaging Date**”). In respect of the settlement on the Valuation Date, the Initial Averaging Date will be the Valuation Date.

The Calculation Agent will ensure that the Determined Averaging Date Number is equal to or greater than (or is by no more than 5 Scheduled Trading Days less than) a number equal to the quotient of (a) the Settled Number of Shares *divided by* (b) the ADTV Limit, with any fractional Determined Averaging Date Number being rounded up to the next whole number. “**ADTV Limit**” means a number equal to the product of (i) 20%, and (ii) the trailing average daily composite trading volume of the Shares for the most recent 30 calendar day period, determined by the Calculation Agent as of the Valuation Date.

Such cash settlement shall proceed under the Equity Definitions as if (i) the Settled Number of Shares were the Number of Shares for purposes of Section 8.4 (“*Cash Settlement of Forward Transactions*”) and Section 8.5 of the Equity Definitions (“*Forward Cash Settlement Amount*”), (ii) the Averaging Dates were a number of consecutive Exchange Business Days beginning on, and including, the Initial Averaging Date for such settlement, which number shall be equal to Determined Averaging Date Number, and (iii) the Cash Settlement Payment Date were as defined below.

Following each such settlement, the Transaction will continue with a Number of Shares reduced by the amounts so settled, and the Calculation Agent will select subsequent Initial Averaging Date(s) (in conjunction with a related Determined Averaging Date Number) in a good faith and commercially reasonable manner (taking into account the Unwind Parameters) until the total of all Settled Number of Shares equals the original Number of Cash-Settled Shares. For the avoidance of doubt, the Calculation Agent may select a Settled Number of Shares for the first settlement hereunder that equals the total Number of Cash-Settled Shares, in which case there shall be only one such settlement hereunder.

Cash Settlement Payment Date: In respect of a Settled Number of Shares, one Settlement Cycle following the final Averaging Date for such Settled Number of Shares.

Forward Cash Settlement Amount: Notwithstanding Section 8.5, an amount equal to (a) the Number of Shares *multiplied by* (b) an amount equal to the Settlement Price *minus* the Forward Price, minus (c) an amount equal to the Financing Payment Amount.

Determination of Financing Payment Amount

Financing Payment Amount: The Floating Amount

Calculation Periods: Notwithstanding anything to the contrary in the Swap Definitions, with respect to each Transaction, each period commencing on (and including) a Payment Date and ending on (and excluding) the successive Payment Date, with the first such Calculation Period commencing on (and including) the Effective Date of the Transaction, and the last such Calculation Period ending on (and excluding) (i) the Cash Settlement Payment Date (if Cash Settlement applies), or (ii) the Settlement Date (if Physical Settlement applies).

Effective Date: With respect to each Transaction, one Settlement Cycle after the relevant Trade Date

Payment Dates: As specified in the relevant Supplemental Confirmation

Floating Rate Option: USD-LIBOR-BBA

Designated Maturity: As specified in the relevant Supplemental Confirmation

Spread: As specified in the relevant Supplemental Confirmation

Section 6.3(d) of the Equity Definitions is hereby amended by deleting the remainder of the provision following the term “Scheduled Closing Time” in the fourth line thereof.

Averaging Date Disruption: Modified Postponement; *provided* that Section 6.7(c)(iii)(A) of the Equity Definitions is hereby modified by inserting the words “the Calculation Agent may determine in its discretion that” after the word “then” in the sixth line thereof. Notwithstanding the foregoing and anything to the contrary in the Equity Definitions, if a Market Disruption Event occurs on any Averaging Date, the Calculation Agent may determine that such Averaging Date is a Disrupted Day only in part, in which case (i) such day shall be an Averaging Date and the Scheduled Trading Day immediately following the date that would otherwise be the last Averaging Date shall be an additional Averaging Date; (ii) the Calculation Agent shall determine the VWAP Price on the Averaging Date that is a partially Disrupted Day on the basis of transactions in the Shares on the Exchange on such Averaging Date, taking into account the nature and duration of the relevant Market Disruption Event; and (iii) the Calculation Agent shall determine the Settlement Price using an appropriately weighted average of VWAP Prices on the Averaging Dates instead of the arithmetic average.

Section 6.6(a) of the Equity Definitions is hereby amended by replacing the word “shall” in the fifth line thereof with the word “may,” and by deleting clause (i) thereof. Section 6.7(c)(iii)(A) of the Equity Definitions is hereby amended by replacing the word “shall” in the sixth and eighth line thereof with the word “may.”

Settlement Currency: USD

Relevant Price: For purposes of Section 6.7 of the Equity Definitions, with respect to any Number of Shares for which Cash Settlement is elected, a price calculated based on the relevant date of determination's VWAP Price excluding trades on the Exchange below the Limit Price *minus* \$0.02.

**Dividends:**

Ordinary Dividend Amount: USD 0.00.

Extraordinary Dividend: Any dividend or distribution on the Shares (other than any dividend or distribution of the type described in Section 11.2(e)(i) or Section 11.2(e)(ii)(A) or (B) of the Equity Definitions) the ex-date for which occurs during the Dividend Period and the amount or value of which differs from the Ordinary Dividend Amount, as determined by the Calculation Agent.

Dividend Amount: The product of the Ex Amount (including any Extraordinary Dividend and as adjusted to reflect the application of any tax under Section 871(m) of the Internal Revenue Code, as amended) and the Number of Shares; *provided* that if the gross cash dividend per Share actually paid by the Issuer is less than the relevant Ex Amount, then the Calculation Agent shall reduce such Ex Amount to equal the amount actually paid by the Issuer.

Dividend Payment Dates:	The Currency Business Day following the date the relevant dividend is paid by the Issuer to holders of record of a Share.
Dividend Recovery:	In the event that the declared dividend is different from the actual dividend paid by the Issuer, and the Calculation Agent has previously adjusted the terms of the Transaction then the Calculation Agent will either (a) adjust the terms of the Transaction, or (b) determine an amount to be paid by one party to the other party, in each case to account for the discrepancy between the declared dividend and the actual dividend paid by the Issuer. This provision will survive the termination of any relevant Transaction, it being understood that if clause (b) of the previous sentence applies, the party obligated to pay such amount will do so in accordance with the instructions of the Calculation Agent.
Averaging Date Dividends:	If an ex-date for any dividend or distribution occurs on any Averaging Date for any settlement as described under "Settlement Procedures" above, the Calculation Agent will decrease the Number of Shares for purposes of calculating the amount payable pursuant to "Dividend Payment Dates" to reflect Averaging Dates occurring on or prior to such Averaging Date.

To the extent that an event may be a Potential Adjustment Event and a Diluting Event, the parties agree to treat such event as a Diluting Event.

Notwithstanding anything else to the contrary in the Equity Definitions, a distribution of Spin-off Shares will in every case require the Calculation Agent to take the actions specified under “*Consequences of Spin-off*” below and the Calculation Agent will not adjust the Transaction in any other manner.

Consequences of Spin-off:

Following the occurrence of a Spin-off, the Calculation Agent shall adjust the Transaction on account of such distribution of Spin-off Shares. Notwithstanding anything else to the contrary in the Equity Definitions, the Calculation Agent’s adjustment must continue the Transaction as two separate Transactions in respect of the Original Shares and the Spin-off Shares with substantially similar terms; *provided*, that the Calculation Agent shall make such adjustments to the terms of the Transactions as the Calculation Agent determines appropriate to account for the economic effect on the original Transaction of such Spin-off.

- (i) Counterparty represents that the execution of the Transaction by it is not in violation of Section 10(b) of the 1934 Act. In addition, if Counterparty seeks to amend any Transaction, Counterparty will be deemed to represent that Counterparty is not in violation of Section 10(b) of the 1934 Act.
- (ii) Counterparty is aware of its obligations under the United States Federal securities laws in respect of the Shares, including without limitation under Sections 9 and 10(b) of the 1934 Act, as amended, and the rules and regulations thereunder, and during the term of the Transaction will not take any action that does not comply with those obligations.

Counterparty has made or will make its own independent decision to enter into the Transaction based upon its own judgment and upon advice of such advisors as Counterparty deems necessary.

- (iv) any market activities of Dealer and its affiliates with respect to the Shares may affect the market price and volatility of the Shares, each in a manner that may be adverse to Counterparty;
- (v) the Transaction is a derivatives transaction in which it has purchased from Dealer a Share Forward Transaction; Dealer may purchase or sell Shares for its own account at an average price that may be greater than, or less than, the price paid by Counterparty under the terms of the Transaction; and
- (vi) without limiting the generality of the foregoing, any initial price of the Transaction is not the execution price of any initial hedge of the Dealer (if the Dealer chooses to hedge any risk with respect to the Transaction), taking into account any applicable fees or commissions, but rather is an initial price that is at risk to the Dealer (as determined by the Dealer in its sole discretion).
