The proposed maximum aggregate offering price for the common stock is the product of (x) 9,343,250 (the number of shares of common stock being registered hereby) and (y) \$47.62 (the price at which the Brookfield Investor and Pershing Square have agreed to purchase the shares of our common stock pursuant to investment agreements and a designation described herein).

In connection with the registration of such unsold securities on the Prior Registration Statements, the company paid an aggregate of \$80,542.50 in registration fees for such unsold securities. In accordance with Rule 457(p) of the Securities Act, the registration fee paid for the unsold securities on the Prior Registration Statements will be used to offset the registration fee. Accordingly, the amount of the registration fee for the registration of securities under this registration statement of \$132,036.94 has been reduced to \$51,494.44.

The selling stockholders identified in this prospectus (which term as used herein includes their pledgees, donees, transferees or other successors-in-interest) may offer the shares or warrants from time to time as they may determine through public transactions or through other means and at varying prices as determined by the prevailing market price for shares or in negotiated transactions as described in the section entitled "Plan of Distribution" beginning on page 8.

We are required to register the shares and warrants with the Securities and Exchange Commission (the "SEC") pursuant to shareholder agreements and warrant agreements described herein. We expect that the offering price for our common stock will be based on the prevailing market price of our common stock at the time of sale. Our common stock trades on the New York Stock Exchange, or the NYSE, under the symbol "HHC." The last reported sales price on October 16, 2012 was \$71.58. We do not intend to list the warrants on any exchange; accordingly, there will not be an established market price for the warrants. There is currently no established market price for the warrants. We expect that the offering price for the warrants will be based on the relationship between the exercise price of the warrants and the prevailing market price for our common stock at the time of sale.

We will not receive any of the proceeds from the sale of these shares of our common stock or the warrants by the selling stockholders.

**Investing in shares of our common stock or the warrants involves risks. ## CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains forward-looking statements within the meaning of Section 27A of the Securities Act, and Section 21E of the Securities Exchange Act of 1934. All statements other than statements of historical fact included in this prospectus are forward-looking statements. Forward-looking statements give our current expectations relating to our financial condition, results of operations, plans, objectives, future performance and business. You can identify forward-looking statements by the fact that they do not relate strictly to current or historical facts. These statements may include words such as “anticipate,” “estimate,” “expect,” “project,” “forecast,” “plan,” “intend,” “believe,” “may,” “should,” “would,” “likely,” and other words of similar expression. Forward-looking statements should not be unduly relied upon. They give our expectations about the future and are not guarantees. These statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, performance and achievements to materially differ from any future results, performance and achievements expressed or implied by such forward-looking statements. These forward-looking statements present our estimates and assumptions only as of the date of this prospectus. Except as may be required by law, we undertake no obligation to modify or revise any forward-looking statements to reflect events or circumstances occurring after the date of this prospectus. We caution you not to rely on these forward-looking statements.

In this prospectus and the documents incorporated by reference, for example, we make forward-looking statements discussing our expectations about:

- capital required for our operations and development opportunities for the properties in our Operating Assets and Strategic Developments segments following the spin-off;
- expected performance of our Master Planned Communities segment and other current income producing properties;
- future liquidity;
- future development opportunities; and
- future development spending.

Factors that could cause actual results to differ materially from those expressed or implied by the forward-looking statements include:

- our history of losses;
- our inability to obtain operating and development capital;
- a prolonged recession in the national economy and adverse economic conditions in the retail sector;
- our inability to compete effectively;
- our directors may be involved or have interests in other businesses, including real estate activities and investments;
- our inability to control certain of our properties due to the joint ownership of such property and our inability to successfully attract desirable strategic partners;
- potential conflicts with GGP (as defined below) arising from agreements with GGP with respect to certain of our assets;
- risks associated with our spin-off from GGP not qualifying as a tax-free distribution for U.S. federal income tax purposes;
- substantial stockholders having influence over us, whose interests may be adverse to ours or yours; and
- the other risks described in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011 incorporated by reference therein.

## PROSPECTUS SUMMARY

*This summary contains basic information about us and the resale of securities being offered by the selling stockholders. It does not contain all of the information you should consider before investing. You should read this entire prospectus carefully, including the section entitled “Risk Factors” and our consolidated and combined financial statements and the notes thereto incorporated by reference in this prospectus, before making an investment decision. Unless the context otherwise requires, references to the “Company,” “HHC,” “we,” “us” and “our” refer to The Howard Hughes Corporation and its subsidiaries and joint venture interests after giving effect to the spin-off.*

### Overview

We are a developer and operator of master planned communities and mixed use properties. We currently operate our business in three segments: Master Planned Communities, Operating Assets and Strategic Developments. We are headquartered in Dallas, Texas and our assets are located across the United States.

We were incorporated in Delaware on July 1, 2010 to receive certain assets and liabilities of GGP, Inc., formerly known as General Growth Properties, Inc. (“GGP” and collectively with its subsidiaries, our “predecessors”), in connection with our predecessors’ emergence from bankruptcy. We completed our spin-off from GGP on November 9, 2010.

## Shareholders Agreements

In order to fund a portion of our spin-off, GGP entered into investment agreements with the Plan Sponsors (as defined below). Pursuant to the terms of those agreements, we entered into agreements (the "Shareholders Agreements") with each of (i) Brookfield Retail Holdings LLC, an affiliate of Brookfield Asset Management, Inc. (and its designees, as applicable, the "Brookfield Investor"), (ii) The Fairholme Fund and Fairholme Focused Income Fund (collectively, "Fairholme") and (iii) Pershing Square Capital Management, L.P., on behalf of Pershing Square, L.P., Pershing Square II, L.P., Pershing Square International, Ltd. and Pershing Square International V, Ltd. (collectively, together with their permitted assigns, including PSRH, Inc., "Pershing Square" and together with the Brookfield Investor and Fairholme, the "Plan Sponsors"). The Plan Sponsors entered into agreements with Blackstone Real Estate Partners VI, L.P. ("Blackstone" and together with its permitted assigns, the "Blackstone Investors") whereby Blackstone subscribed for approximately 7.6% of the shares of reorganized GGP and our common stock issued to each of the Plan Sponsors under the Shareholders Agreements on November 9, 2010 and, in connection therewith, received an allocation of each of the Plan Sponsor's warrants described below to acquire our common stock (collectively, the "Blackstone Designation"). On November 9, 2010, the Plan Sponsors and the Blackstone Investors purchased \$6.3 billion of common stock of reorganized GGP and \$250.0 million of our common stock at \$47.619048 per share.

Upon consummation of the spin-off and after giving effect to the Blackstone Designation, we issued to the Brookfield Investor, Pershing Square, Fairholme and the Blackstone Investors 2,424,618, 1,212,309, 1,212,309 and 400,764 shares of our common stock, respectively, pursuant to the Shareholders Agreements and the Blackstone Designation. Of the Plan Sponsors and the Blackstone Investors, only Pershing Square received shares of our common stock pursuant to the spin-off in the amount of 2,355,708 shares, as a result of its ownership of shares of common stock of GGP prior to November 9, 2010.

Upon consummation of our predecessors' plan of reorganization, we issued to the Brookfield Investor warrants to purchase approximately 3.83 million shares of our common stock. We issued to each of Fairholme and Pershing Square warrants to purchase approximately 1.92 million shares of our common stock and to the Blackstone Investors warrants to purchase approximately 0.33 million shares of our common stock, in each case, with an initial exercise price of \$50.00 per share. The per share exercise price has been adjusted from the originally contemplated exercise price to reflect a reduction in the number of shares that will be issued for the same aggregate consideration upon exercise of the warrants. See "Related Party Transactions and Certain Relationships—Transactions Prior to the Spin-Off" contained in our 2012 Definitive Proxy Statement on Schedule 14A and incorporated by reference herein.

As of October 16, 2012, the Brookfield Investor and Pershing Square beneficially owned 6.3% and 9.4%, respectively, of our common stock (excluding shares issuable upon exercise of the warrants). As of October 10, 2012, the Brookfield Investor, Fairholme, Pershing Square and the Blackstone Investors beneficially owned 16.1%, 4.8%, 13.7% and 0.9%, respectively, of our common stock (assuming exercise by the applicable warrant holder of all of its outstanding warrants).

Each of the Plan Sponsors has participation rights in future public and private equity issuances by us, to allow them to maintain their respective percentage ownership on a fully diluted basis. These participation rights terminate when the applicable Plan Sponsor's beneficial ownership (together with its affiliates' beneficial ownership) is less than 5% on a fully diluted basis.

### Risk Factors

Investing in our common stock and warrants involves a high degree of risk. See "Risk Factors" beginning on page 3 of this prospectus and in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011 and the other reports we file with the SEC that are incorporated by reference herein for a discussion of factors you should carefully consider before investing in our common stock or the warrants.

### RISK FACTORS

*An investment in our common stock or warrants involves a high degree of risk. You should carefully consider the following risk factors and the risk factors in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011 and the other reports we file with the SEC that are incorporated by reference herein, as well as the other information contained in this prospectus, before making an investment in our company. If any of the following risks actually occur, our business, financial condition and/or results of operations could be materially and adversely affected. In such an event, the trading price of our common stock and warrants could decline and you could lose part or all of your investment.*

#### Risks Related to Our Warrants

*The adjustment to the exercise price for warrants and the number of shares of common stock underlying each warrant in connection with an anti-dilutive adjustment event may not adequately compensate you for any lost value of your warrants as a result of such transaction.*

If a specified corporate event or transaction constituting a dilutive event occurs, under certain circumstances we will adjust the exercise price for warrants and the number of shares of common stock underlying each warrant in connection with such dilutive adjustment event. The adjustment to the exercise price for warrants and the number of shares of common stock underlying each warrant will be determined based on the date on which the dilutive event occurs or becomes effective. The adjustment to the exercise price for warrants and the number of shares of common stock underlying each warrant in connection with a dilutive event may not adequately compensate you for any lost value of your warrants as a result of such dilutive event.

*Under certain circumstances, holders may have to pay U.S. federal income tax as a result of a deemed distribution with respect to our common stock or warrants—even if holders do not receive a corresponding distribution of cash—such as, if we adjust, or fail to adjust, the exercise price of the warrants in certain circumstances.*

Holders of our common stock or warrants may be treated as having received a constructive distribution in certain circumstances, for example if we make certain adjustments to (or fail to make adjustments to) the exercise price of the warrants and such adjustment (or failure to make an adjustment) has the effect of increasing the proportionate interest of certain holders in our earnings and profits or assets. Such a distribution could be treated as a taxable dividend or capital gain for U.S. federal income tax purposes even though holders do not receive any cash with respect to such constructive distribution. In addition, you may be subject to U.S. federal withholding tax on any such constructive distribution on our common stock or warrants. You are advised to consult your independent tax advisor regarding the possibility and tax treatment of any deemed distributions for U.S. federal income tax purposes.

*Until the exercise of our warrants, holders of these securities do not have identical rights as holders of our common stock, but they will be subject to all changes made with respect to our common stock.*

Holders of warrants are not entitled to any rights with respect to our common stock (including, without limitation, voting rights and rights to receive any dividends or other distributions on our common stock), but they will be subject to all changes affecting our common stock. See the description of our common stock and warrants set forth in our registration statement on Form 10/A, which we filed on November 4, 2010, which we have incorporated by reference herein. Holders of our warrants will have rights with respect to our common stock only if they receive our common stock upon exercise of the warrants and only as of the date when such holder becomes a record owner of the shares of our common stock upon such exercise. For example, with respect to warrants, if an amendment is proposed to our certificate of incorporation or bylaws requiring stockholder approval and the record date for determining the stockholders of record entitled to vote on the amendment occurs prior to the date a warrant holder is deemed to be the owner of the shares of our common stock due upon exercise of the warrants, the exercising warrant holder will not be entitled to vote on the amendment, although such holder will nevertheless be subject to any changes in the powers, preferences or special rights of our common stock.

*The market price of our common stock may or may not exceed the exercise price of the warrants.*

The warrants granted to the Plan Sponsors are immediately exercisable or, in the case of the Fairholme warrants, upon 90 days written notice for the first 6.5 years and without notice anytime thereafter, and will expire seven years after our November 9, 2010 spin-off. The warrants granted to Messrs. Weinreb and Herlitz and Mr. Richardson become exercisable in November 2016 and February 2017, respectively, and expire in November 2017 and February 2018, respectively. Although as of October 16, 2012, the market price of our common stock exceeded the exercise price of the warrants, we cannot provide you with any assurance that that the

---

[Table of Contents](#)

market price of our common stock will always remain in excess of the exercise price of the warrants in any or all periods prior to the date of expiration. Any warrants not exercised by their date of expiration will expire worthless and we will be under no further obligation to the warrant holder.

*Since the warrants are executory contracts, they may have no value in a bankruptcy or reorganization proceeding.*

In the event a bankruptcy or reorganization proceeding is commenced by or against us, a bankruptcy court may hold that any unexercised warrants are executory contracts that are subject to rejection by us with the approval of the bankruptcy court. As a result, holders of the warrants may, even if we have sufficient funds, not be entitled to receive any consideration for their warrants or may receive an amount less than they would be entitled to if they had exercised their warrants prior to the commencement of any such bankruptcy or reorganization proceeding.

*There is no public market for the warrants.*

There is no established public trading market for the warrants, and we do not expect a market to develop. In addition, we do not intend to apply for quotation or listing of the warrants on any securities exchange. Without an active market, the liquidity of the warrants will be limited. There can be no assurance that a market will ever develop for the warrants. Even if a market for the warrants does develop, the price of the warrants may fluctuate and liquidity may be limited. If a market for the warrants does not develop, then purchasers of the warrants may be unable to resell the warrants or sell them only at an unfavorable price for an extended period of time, if at all. Resale prices of the warrants will depend on many factors, including:

- our operating performance and financial condition;
- our ability to continue the effectiveness of the registration statement, of which this prospectus is a part, covering warrants and the common stock issuable upon exercise of the warrants;
- the interest of securities dealers in making a market; and
- the market for similar securities.

*The market price of our warrants will be directly affected by the market price of our common stock, which may be volatile.*

To the extent that a secondary market for our warrants develops, we believe that the market price of our warrants will be significantly affected by the market price of our common stock. We cannot predict how the shares of our common stock will trade in the future. This may result in greater volatility in the market price of our warrants than would be expected for non-exercisable securities.

*If an effective registration is not in place and a current prospectus is not available when an investor desires to exercise warrants, such investor may be unable to exercise his, her or its warrants, causing such warrants to expire worthless.*

Holders of shares of common stock received pursuant to the exercise of the warrants will be able to sell their warrant shares only if a registration statement relating to such securities is then in effect, or if such transaction is exempt from the registration requirements of the Securities Act, as amended (the “Securities Act”), and such securities are qualified for sale or exempt from qualification under the applicable securities laws of the states in which the

purchaser of such securities resides. We intend to use our best efforts to keep a registration statement in effect covering warrant shares and to maintain a current prospectus relating to warrant shares until the expiration of the warrants. We cannot assure you that we will be able to do so, and if we do not maintain a current prospectus related to the warrant shares, holders may be unable to sell their warrant shares. If the prospectus relating to the warrant shares is not current, the warrants may have no value, we will have no obligation to settle the warrants for cash, the market for such warrants may be limited, and such warrants may expire worthless.

## USE OF PROCEEDS

We are registering these shares of our common stock and these warrants for the benefit of the selling stockholders. We will not receive any proceeds from the resale of our common stock or the warrants under this offering.

### SELLING STOCKHOLDERS

The selling stockholders, pursuant to this prospectus, may from time to time offer and sell any or all of:

- the shares of our common stock set forth in the table below under the column entitled “Shares of Company Stock Beneficially Owned Prior to Offering”;
- the warrants to purchase the number of shares of our common stock set forth in the table below under the column entitled “Shares of Common Stock Underlying Warrants Beneficially Owned Prior to Offering”; and
- the common stock issuable upon the exercise of the warrants set forth in the table below under the column entitled “Shares of Common Stock Underlying Warrants Beneficially Owned Prior to Offering.”

When we refer to “selling stockholders” in the “Plan of Distribution” section of this prospectus, we mean the persons listed in the table below, and the pledgees, donees, permitted transferees, assignees, successors and others who later come to hold any of the selling stockholders’ interests in shares of our common stock other than through a public sale. Except as noted in this prospectus or in the reports incorporated herein by reference, none of the selling stockholders have, or within the past three years have had, any material relationship with us or any of our predecessors or affiliates and the selling stockholders are not or were not affiliated with registered broker-dealers.

Based on the information provided to us by the selling stockholders and as of the date the same was provided to us, assuming that the selling stockholders sell all of the shares of our common stock and warrants owned or beneficially owned by them that have been registered by us and do not acquire any additional shares during the offering, the selling stockholders will not own any shares other than those appearing in the column entitled “Shares of Common Stock Beneficially Owned After the Offering—Number of Shares.” We cannot advise you as to whether the selling stockholders will in fact sell any or all of such shares of common stock or warrants to acquire our common stock. In addition, the selling stockholders may have sold, transferred or otherwise disposed of, or may sell, transfer or otherwise dispose of, at any time and from time to time, the shares of our common stock or warrants to acquire our common stock in transactions exempt from the registration requirements of the Securities Act after the date as of which the information is set forth on the table below.

Beneficial ownership of shares is determined under SEC rules and generally includes any shares over which a person exercises sole or shared voting or investment power. Shares of common stock subject to warrants or options currently exercisable or exercisable within 60 days of the date of this prospectus are deemed to be outstanding and beneficially owned by the person and any group of which that person is a member, but are not deemed outstanding for the purpose of computing the percentage of beneficial ownership for any other person.

Except as noted by footnote, and subject to community property laws where applicable, we believe based on the information provided to us that the persons and entities named in the table below have sole voting and investment power with respect to all shares of our common stock shown as beneficially owned by them. Unless otherwise noted below, the address of the persons and entities listed in the table is c/o The Howard Hughes Corporation, 13355 Noel Road, 22<sup>nd</sup> Floor, Dallas, Texas 75240.

## **PLAN OF DISTRIBUTION**

We are registering shares of HHC common stock and warrants issued or issuable to the selling stockholders to permit the resale of these shares of HHC common stock and warrants by the holders thereof from time to time after the date of this prospectus. We are registering: (i) shares of our common stock issued to Pershing Square and GTC, as trustee, in connection with the spin-off; (ii) warrants issued to the Brookfield Investor, Fairholme, Pershing Square and the Blackstone Investors pursuant to our predecessors’ plan of reorganization; (iii) shares of our common stock issuable upon exercise of the warrants issuable to the Brookfield Investor, Fairholme, Pershing Square and the Blackstone Investors pursuant to our predecessors’ plan of reorganization; (iv) shares of our common stock issued to the Brookfield Investor and Pershing Square pursuant to the Shareholders Agreements; and (v) shares of our common stock issuable upon exercise of the warrants issuable to Mr. Weinreb and Mr. Herlitz pursuant to their respective warrant purchase agreements, dated November 22, 2010, and to Mr. Richardson pursuant to his warrant purchase agreement dated February 25, 2011 (all together, the “Executive Warrant Agreements”). We do not know whether, when or in what amount the selling stockholders may offer the shares or warrants for sale. We expect that the offering price for our common stock will be based on the prevailing market price of our common stock at the time of sale. There is currently no established market price for the warrants. We expect that the offering price for the warrants will be based on the relationship between the exercise price of the warrants and the prevailing market price for our common stock at the time of sale.

Some of the shares of our common stock and the warrants offered hereby were originally issued to the Plan Sponsors pursuant to an exemption from the registration requirements of the Securities Act. The Blackstone Investors are permitted assignees of the rights of the Plan Sponsors. We agreed to register such shares of our common stock and the warrants pursuant to the Shareholders Agreements and the Warrant Agreement, dated November 9, 2010, between The Howard Hughes Corporation and

Mellon Investor Services LLC. We also agreed to register the common stock issuable to GTC pursuant to a Registration Rights Agreement, dated November 9, 2010, between The Howard Hughes Corporation and M.B. Capital Partners III. We will pay all expenses of the registration of the shares of our common stock and the warrants pursuant to: (i) the Registration Rights Agreement, dated November 9, 2010, between The Howard Hughes Corporation, GTC and M.B. Capital; (ii) the Registration Rights Agreement, dated November 9, 2010, between The Howard Hughes Corporation and the Brookfield Investor; (iii) the Registration Rights Agreement, dated November 9, 2010, between The Howard Hughes Corporation and Fairholme; and (iv) the Registration Rights Agreement, dated November 9, 2010, between The Howard Hughes Corporation and Pershing Square (all together, the “Registration Rights Agreements”), including, without limitation, SEC filing fees and expenses of compliance with state securities or “blue sky” laws; provided, however, that each selling stockholder will pay all underwriting discounts and selling commissions. We will indemnify the selling stockholders against certain liabilities, including some liabilities under the Securities Act, in accordance with the Registration Rights Agreements or the selling stockholders will be entitled to contribution. We may be indemnified by the selling stockholders against civil liabilities, including liabilities under the Securities Act that may arise from any written information furnished to us by the selling stockholders specifically for use in this prospectus, in accordance with the Registration Rights Agreements or we may be entitled to contribution.

Pursuant to the Executive Warrant Agreements: (i) Mr. Weinreb purchased a warrant to acquire 2,367,985 shares of Company common stock for a purchase price of \$15.0 million in cash, which purchase price was determined to be at current fair value; (ii) Mr. Herlitz purchased a warrant to acquire 315,731 shares of Company common stock for a purchase price of \$2.0 million in cash, which purchase price was determined to be at current fair value; and

(iii) Mr. Richardson purchased a warrant to acquire 178,971 shares of company common stock for a purchase price of \$2.0 million in cash, which purchase price was determined to be at current fair value.

We agreed to register the shares of our common stock subject to the Executive Warrant Agreements with Mr. Weinreb, Mr. Herlitz and Mr. Richardson. We will pay all expenses of the registration of the shares of our common stock, including, without limitation, SEC filing fees and expenses of compliance with state securities or “blue sky” laws; provided, however, that each selling stockholder will pay all underwriting discounts and selling commissions.

We will not receive any proceeds from sales of any shares of our common stock or warrants by the selling stockholders.

The selling stockholders (or their pledgees, donees, transferees, distributees or successors in interest selling shares received from a named selling stockholder as a gift, partnership distribution or other non-sale-related transfer after the date of this prospectus (all of whom may be selling stockholders)) may sell all or a portion of the shares of HHC common stock or warrants beneficially owned by them and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents, and any broker-dealers or agents may arrange for other broker-dealers or agents to participate in effecting sales of these securities. These underwriters or broker-dealers may act as principals, or as an agent of a selling stockholder. If the shares of HHC common stock or warrants are sold through underwriters or broker-dealers, the selling stockholders will be responsible for underwriting discounts or commissions or agent’s commissions. The shares of HHC common stock or warrants may be sold on any national securities exchange or automated interdealer quotation system on which the securities may be listed or quoted at the time of sale, in the over-the-counter market or in transactions otherwise than on these exchanges or systems or in the over-the-counter market and in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in a variety of transactions, which may involve crosses or block transactions. The selling stockholders may use any one or more of the following methods when selling shares or warrants:

- purchases by underwriters, brokers, dealers, and agents who may receive compensation in the form of underwriting discounts, concessions or commissions from the selling stockholders and/or the purchasers of the shares or warrants for whom they may act as agent;
- ordinary brokerage transactions and transactions in which the broker solicits purchasers;
- one or more block trades in which a broker or dealer so engaged will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction, or in crosses in which the same broker acts as agent on both sides;
- purchases by a broker or dealer (including a specialist or market maker) as principal and resale by such broker or dealer for its account pursuant to this prospectus;

---

#### [Table of Contents](#)

- an exchange distribution in accordance with the rules of any stock exchange on which the shares of HHC common stock or warrants are listed;
- face-to-face privately negotiated transactions between sellers and purchasers without a broker-dealer;
- an agreement between broker-dealers and the selling stockholders to sell a specified number of such shares or warrants at a stipulated price per share;
- the pledge of shares or warrants as security for any loan or obligation, including pledges to brokers or dealers who may from time to time effect distributions of the shares, the warrants or other interests in the shares;
- settlement of short sales or transactions to cover short sales relating to the shares or warrants entered into after the effective date of the registration statement of which this prospectus is a part;
- distributions to creditors, equity holders, partners and members of the selling stockholders;
- transactions in options, swaps or other derivatives (whether listed on an exchange or otherwise);
- sales in other ways not involving market makers or established trading markets, including direct sales to institutions or individual purchasers; and
- any combination of the foregoing or by any other legally available means.

The selling stockholders may also transfer the shares of our common stock or warrants by gift. We do not know of any arrangements by the selling stockholders for the sale of any of the shares of our common stock or warrants.

The selling stockholders also may resell all or a portion of the shares of our common stock or the warrants in open market transactions in reliance upon Rule 144 under the Securities Act, as permitted by that rule, or Section 4(1) under the Securities Act, if available, rather than under this prospectus, provided that they meet the criteria and conform to the requirements of those provisions.

Brokers or dealers engaged by the selling stockholders may arrange for other brokers or dealers to participate in sales. If the selling stockholders effect such transactions by selling shares of our common stock or warrants to or through underwriters, brokers, dealers or agents, such underwriters, brokers, dealers or agents may receive compensation in the form of discounts, concessions or commissions from the selling stockholders. Underwriters, brokers, dealers or agents may also receive compensation from the purchasers of shares of our common stock for whom they act as agents or to whom they sell as principals, or both. Such commissions will be in amounts to be negotiated, but, except as set forth in a supplement to the prospectus contained in the registration statement, in the case of an agency transaction will not be in excess of a customary brokerage commission in compliance with NASD Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with NASD IM 2440-1 and NASD IM 2440-2.

In connection with sales of the shares of our common stock, the warrants or otherwise, the selling stockholders (or their pledgees, donees, transferees, distributees or successors in interest) may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of shares of our common stock or the warrants in the course of hedging in positions they assume. The selling stockholders may also sell these securities short, and if such short sales shall take place after the date that the registration statement is declared effective by the SEC securities, the selling stockholders may deliver the securities covered by this prospectus to close out short positions and to return borrowed shares in connection with such short sales. The selling stockholders may also loan or pledge shares of our common stock or the warrants to broker-dealers that in turn may sell such securities, to the extent permitted by applicable law. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or one or more derivative transactions which require the delivery to such broker-dealer or other financial institution of securities offered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). Notwithstanding the foregoing, the selling stockholders have been advised that they may not use securities registered on the registration statement to cover short sales of our common stock made prior to the date the registration statement, of which this prospectus forms a part, has been declared effective by the SEC.

Subject to any applicable company policy, the selling stockholders (or their pledgees, donees, transferees, distributees or successors in interest) may, from time to time, pledge, hypothecate or grant a security interest in some or all of the securities registered by the registration statement owned by them and, if they default in the performance of their secured obligations, the pledgees, secured parties or persons to whom the securities have been hypothecated may offer and sell such securities from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act, amending, if necessary, the list of selling stockholders to include the pledgee, transferee, persons to whom the securities have been hypothecated or other successors in interest as selling stockholders under this prospectus. The plan of distribution for that selling stockholder's shares of our common stock or the warrants will otherwise remain unchanged. The selling stockholders (or their pledgees, donees, transferees, distributees or successors in interest) also may transfer and donate the shares of our common stock or the warrants in other circumstances in which case the transferees, donees, pledgees, persons to whom the securities have been hypothecated or other successors in interest thereof will be the selling beneficial owners for purposes of this prospectus.

The selling stockholders (or their pledgees, donees, transferees, distributees or successors in interest) and any broker-dealers or agents participating in the distribution of the shares of our common stock may be deemed to be "underwriters" within the meaning of Section 2(a)(11) of the Securities Act in connection with such sales. In such event, any profits realized by the selling stockholders and any compensation earned by such broker-dealers or agents may be deemed to be underwriting commissions or discounts under the Securities Act. Selling stockholders (or their pledgees, donees, transferees, distributees or successors in interest) who are "underwriters" within the meaning of Section 2(a)(11) of the Securities Act will be subject to the applicable prospectus delivery requirements of the Securities Act including Rule 172 thereunder and may be subject to certain statutory liabilities of, including, but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act. We will make copies of this prospectus (as it may be amended or supplemented from time to time) available to the selling stockholders (or their pledgees, donees, transferees, distributees or successors in interest) for the purpose of satisfying any prospectus delivery requirements. Except as otherwise set forth herein, each selling stockholder has informed the Company that it is not a registered broker-dealer or is not an affiliate of a registered broker-dealer and does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute our common stock or the warrants. In no event shall any broker dealer receive fees, commissions and markups that, in the aggregate, would exceed eight percent (8%). Brookfield Financial US, LLC, an affiliate of Brookfield Investor, is a Delaware limited liability company formed on July 21, 2009 and a registered broker-dealer. Its registration with the SEC and Financial Industry Regulatory Authority was approved on March 31, 2010.

Under the securities laws of some states, the shares of our common stock or the warrants may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the shares of our common stock or the warrants may not be sold unless such shares or the warrants have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with by us.

The selling stockholders (or their pledgees, donees, transferees, distributees or successors in interest) may sell the shares covered by this prospectus from time to time, and may also decide not to sell all or any of the shares they are allowed to sell under this prospectus. The selling stockholders (or their pledgees, donees, transferees, distributees or successors in interest) will act independently of us in making decisions regarding the timing, manner, and size of each sale. There can be no assurance, however, that all or any of the shares will be offered by the selling stockholders. We know of no existing arrangements between any selling stockholders and any broker, dealer, finder, underwriter, or agent relating to the sale or distribution of the securities.

Each selling stockholder (or its pledgees, donees, transferees, distributees or successors in interest) and any other person participating in such distribution will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including, without limitation, to the extent applicable, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the shares of our common stock or the warrants by the selling stockholder and any other participating person. To the extent applicable, Regulation M may also restrict the ability of any person engaged in the distribution of the shares of our common stock or the warrants to engage in market-making activities with respect to the shares of our common stock or the warrants. All of the foregoing may affect the marketability of the shares of our common stock or the warrants and the ability of any person or entity to engage in market-making activities with respect to the shares of our common stock or the warrants.

To the extent permitted by applicable law, this plan of distribution may be modified in a prospectus supplement or otherwise. All of the foregoing may affect the marketability of the securities offered hereby. This offering will terminate on the date that all securities offered by this prospectus have been sold by the selling stockholders.

### ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Delaware General Corporation Law (the "DGCL") authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors' fiduciary duties as directors. Our amended and restated certificate of incorporation includes provisions that indemnify, to the fullest extent allowable under the DGCL, the personal liability of directors or officers for monetary damages for actions taken as our director or officer, or for serving at our request as a director or officer or another position at another corporation or enterprise, as the case may be. Our amended and restated certificate of incorporation also provides that we must indemnify and advance reasonable expenses to our directors and officers, subject to our receipt of an undertaking from the indemnified party as may be required under the DGCL. We have entered into indemnification agreements with each of our directors and certain officers. These agreements, among other things, require us to indemnify each director and certain officers to the fullest extent permitted by Delaware law, including indemnification of expenses such as attorneys' fees, judgments, fines and settlement amounts reasonably incurred by the director or officer in any action or proceeding, including any action or proceeding by or in right of us, arising out of the person's services as a director or executive officer. We also carry directors' and officers' insurance to protect us, our directors, officers and certain employees for some liabilities. The limitation of liability and indemnification provisions in our amended and restated certificate of incorporation may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duty. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. These provisions do not limit or eliminate our rights, or those of any stockholder, to seek non-monetary relief such as injunction or rescission in the event of a breach of a director's duty of care. The provisions do not alter the liability of directors under the federal securities laws. In addition, your investment may be adversely affected to the extent that, in a class action or direct suit, we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions. There is currently no pending material litigation or proceeding against any of our directors, officers or employees for which indemnification is being sought.

**ITEM 17. UNDERTAKINGS**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that subparagraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement

or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a

time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Re: Registration on Form S-3 of 20,205,937 Shares of Common Stock

Ladies and Gentlemen:

I, in my capacity as General Counsel of The Howard Hughes Corporation, a Delaware corporation (the "Company"), have acted as counsel for the Company in connection with the preparation and filing of the Company's Registration Statement on Form S-3 (the "Registration Statement") with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "Act"), relating to the registration of the sale by the parties listed as selling stockholders (the "Selling Stockholders") of: (i) an aggregate of up to 20,205,937 shares of common stock, par value \$0.01 per share (the "Common Stock"), of the Company (the "Shares"); and (ii) 8,000,000 warrants to acquire common stock of the Company (the "Warrants", and together with the Shares, the "Securities"). The Securities were issued and delivered to the Selling Stockholders pursuant to: (i) a plan of reorganization filed by General Growth Properties, Inc. ("GGP"), the Company's former parent, and certain of its subsidiaries under Chapter 11 of Title 11 of the United States Code, as may be amended, modified or supplemented from time to time, and related investment agreements between GGP and certain Selling Stockholders (together the "Plan") and (ii) warrant purchase agreements among the Company and the Selling Stockholders.

In connection with the opinion expressed herein, I have examined such documents, records and matters of law as I have deemed relevant or necessary for purposes of this opinion. Based on the foregoing, and subject to further limitations, qualification and assumptions set forth herein, I am of the opinion that:

1. the Securities constituting shares of Common Stock that were issued in accordance with the Plan are validly issued, fully paid and non-assessable;
2. the Securities constituting shares of Common Stock issuable upon the exercise of the Warrants, and payment of the applicable exercise price, will be validly issued, fully paid and non-assessable; and
3. the Warrants constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

The opinion expressed herein is limited to the General Corporation Law of the State of Delaware, including the applicable provisions of the Delaware Constitution and the reported judicial decisions interpreting such law, as currently in effect. I express no opinion with respect to any other law of the State of Delaware or the laws of any other jurisdiction. In addition, I have assumed that the resolutions authorizing the Company to issue the Shares upon exercise of the Warrants will be in full force and effect

---

at all times at which such Shares are issued, and the Company will take no action inconsistent with such resolutions.

I hereby consent to the filing of this opinion as Exhibit 5.1 to the Registration Statement filed by the Company to effect registration of the Shares to be issued or delivered and sold. In giving such consent, I do not thereby admit that I am included in the category of persons whose consent is required under Section 7 of the Act of the rules and regulation of the Securities and Exchange Commission promulgated thereunder.

Sincerely,

/s/ Peter F. Riley
